Lars breathed hard. He was covered in sweat. His hair was a mess.

Kirk smiled at him, stroking Lars' trembling thighs.

"You look exhausted, baby," he said. "I guess I did well."

Lars gasped for air. He wasn't able to just move a finger.

"Ye ... yeah, you did well," he croaked. "Very well."

"You make me happy." Kirk smiled once more, showing up his nice white fangs. "But why do you look tired?"

Sweat burnt in Lars' eyes and made him blink.

"A vampire fucked me. Pretty hard."

"Oh!" Kirk looked surprised. "But it was just half my power!"
